Sixty By 30

By 2030, we want to make sure 60% of working-age Michiganders will have a certificate or college degree — fueling the future workforce and providing opportunity for all.

The initiatives below are designed to help Michiganders on their path to learn new skills they need to succeed in high-demand, high-wage careers.

The logo features a green graduation cap above the text 'MICHIGAN RECONNECT' in blue. Below the text is a dark green bar with the word 'Dashboard' in white.

Michigan Reconnect will help pay the costs of tuition or training for eligible adults who want to pursue an associate degree or skills certificate at their in-district community college.

The logo features a green graduation cap above the text 'FUTURES FOR FRONTLINERS' in blue. Below the text is a dark green bar with the word 'Dashboard' in white.

Futures for Frontliners offers essential workers an opportunity to complete high school or community college tuition-free. It's never too late to take a step forward – get started!

Double check that all fonts are Arial.

Regardless of what screen you're viewing it, it feels like the 60x30 logo is a little too large, and runs too close to the DTMB logo.
