Are Invasive Species Present?

Yes

No

If yes, please complete remaining relevant form items.

What invasives are present at the observation site?

- Bird vetch
- Canada thistle
- Common tansy
- Narrowleaf hawkweed
- Orange hawkweed
- Oxeye daisy
- Field sowthistle
- Quackgrass
- Reed canarygrass
- White sweetclover
- Meadow hawkweed
- Yellow toadflax
- Waterweed

Need each group to appear based off all combinations of multiple/select multiple choices.

So in this selection example, the expectation would be to have the groups for the bird vetch, canada thistle, common tansy, narrowleaf hawkweed, and orange hawkweed appear for the end user.

▶ Bird Vetch
