What do you want users to swipe?

A layer in a web map

Select the layer you want to be swiped

Summary DFCS Removals by ▾

If the layer is hidden by upper layers, swipe won't have any effect.

Selected type

Two web maps

Swipe with another web map. [How do I find a web map's ID?](#)

Left Web map ID:

be51579c6c2b4de6885f86b1feac

Right Web map ID:

Select this type
