

# Learn about Geodesign at the APA National Planning Conference

## *Enrich Your Planning Process with Geodesign*

Visit Esri at the APA National Planning Conference to see firsthand how ArcGIS supports the emerging geodesign movement. The ArcGIS platform provides a complete geodesign solution. Use it to infuse planning decisions with geographic context to create safe, vibrant, sustainable communities.

Esri staff will be available at Booth #501 and sessions throughout the conference to help you advance your knowledge of geodesign and the ArcGIS platform that supports it. You'll see GeoPlanner, CityEngine, ArcGIS Online, Community Analyst, and ArcGIS for Planning.

### **Geodesign Workshops and Sessions include:**

#### **Saturday, April 18**

[GIS Workshop: Harnessing the Value of Citizen Engagement](#), 8 a.m. - 9:30 a.m., Room 4C-4 **SOLD OUT**

[Designing, Analyzing, and Visualizing in 3D](#), 10 a.m. - 11:30 a.m., Room 4C-4

[Safe, Sustainable, and Resilient by Geodesign](#), 10:30 a.m. - 11:45 a.m., Room 613/614

[Economic Development and Gardening](#), 1 p.m. - 2:30 p.m., Room 4C-4

[Publishing Storymaps: How to Tell the Story of Your Community](#), 3 p.m. - 4:30 p.m., Room 4C-4 **SOLD OUT**

#### **Sunday, April 19**

[Location Analytics to Build Resilient Communities](#), 10:45 a.m. - 12:15 p.m., Room 4C-4

[ArcGIS for Grants](#), 1 p.m. - 2:30 p.m., Room 4C-4

[Bringing Geography to Design and Planning Workflows](#), 3 p.m. - 4:30 p.m., Room 4C-4

[Designing, Analyzing, and Visualizing in 3D](#), 5 p.m. - 6:30 p.m., Room 4C-4

#### **Monday, April 20**

5 Ways to Increase Planning Project Success, 1:45pm – 2:45 p.m., Learning Theatre (Exhibit Hall)

Smart 3D Zoning Visualizations Help to Design Better Cities, 1:45pm – 2:45 p.m., Learning Theatre (Exhibit Hall)

#### **Tuesday, April 21**

[What Empowers Geodesign?](#) 9:30 a.m. - 10:45 a.m., Room 602/603/604
