

Esri Health GIS Conference

November 3–5, 2014 | Colorado Springs, Colorado

See How Geography Empowers the Science, Application, and Administration of Health

Come to the 2014 Esri Health GIS Conference at the Broadmoor Hotel in Colorado Springs, Colorado, November 3–5, 2014, and witness the power of geographic information system (GIS) technology. This is an unrivaled opportunity to learn cutting-edge Esri® software from world-class experts, sharpen your GIS skills, witness how others solve tough technical problems, and collaborate with peers from across the globe.

- Hear top Esri and industry leaders share their vision of what GIS promises for 2014 and beyond.
- Attend workshops, panels, breakout sessions, and the GIS Solutions EXPO.
- Benefit from the personal guidance of Esri specialists.
- Present your best work and maps, or be a sponsor/exhibitor.
- Gather invaluable contacts during networking and social events.
