

## Academic Department License Overview

The Academic Department License provides qualified institutions with an affordable way to acquire select Esri products for non-commercial teaching and research. Qualified institutions include accredited, degree-granting 2-year and 4-year colleges and universities worldwide.

Esri software products provided with this license are listed below. Also included are technical support, software updates, and access to self-paced e-learning resources.

This offering is available in 3 configurations: up to 5 users, up to 50 users, or up to 100 users. For details and pricing about this and other Esri Education licenses, please contact [academicsales@esri.com](mailto:academicsales@esri.com) (in the U.S.) or [www.esri.com/contact](http://www.esri.com/contact) (outside the U.S.).
