

# 2020 Esri UC

## Roads & Highways Events + Activities

The Esri User Conference has many virtual presentations and sessions with hundreds of topics covered. To help you find your way to the Roads & Highways sessions and events, we have prepared a more focused agenda.

### Transportation Virtual Showcase

Monday, July 13	12:05 PM–3:45 PM
Tuesday, July 14	7:30 AM–9:40 AM and 11:10 AM–3:45 PM
Wednesday, July 15	7:30 AM–9:40 AM and 11:10 AM–3:45 PM

Visit the Transportation Showcase to see GIS solutions for all aspects of roads & highways. The Showcase will feature roads and highways solutions including mobile applications, safety analysis, 3D visualization, and real-time capabilities. You can get hands-on GIS experience; meet industry experts; and explore best practices.

### State and Local Demo Theater

Available starting Monday, July 13 at 12:05pm PDT

On-Demand	Emerging Trends in Transportation Infrastructure	Link Coming Soon
On-Demand	Esri Roads & Highways: What's new	Link Coming Soon
On-Demand	Esri Roads & Highways: An Introduction	Link Coming Soon
On-Demand	Esri Roads & Highways: Best Practices for Implementing Event Editor	Link Coming Soon

### Industry Focused Sessions and Technical Workshops

Sessions are Live with Live Q&A

Monday, July 13

1:40 PM PDT	ArcGIS QuickCapture: An Introduction and What's New	<a href="#">Learn more</a>
2:50 PM PDT	ArcGIS Workforce: An Introduction and What's New	<a href="#">Learn more</a>
2:50 PM PDT	ArcGIS Survey123: What's New	<a href="#">Learn more</a>
2:50 PM PDT	CAD: Introduction to Using CAD Data in ArcGIS	<a href="#">Learn more</a>

Tuesday, July 14

7:30 AM PDT	ArcGIS Field Apps: The Road Ahead	<a href="#">Learn more</a>
8:40 AM PDT	Integrating BIM and GIS for AEC and Asset Owners	<a href="#">Learn more</a>

### Special Interest Group Meetings

Thursday, July 16

9:15 AM PDT	Highways SIG	<a href="#">Streaming Live</a>
-------------	--------------	--------------------------------

### Moderated Paper Presentations

Available starting Monday, July 13 at 12:05pm PDT

On-Demand	Highways Track	<b>Understanding Your Highway Network</b>	Link Coming Soon
On-Demand	Highways Track	<b>Community Engagement in Transportation</b>	Link Coming Soon
On-Demand	Highways Track	<b>Field Data Collection for Transportation</b>	Link Coming Soon
On-Demand	Highways Track	<b>Best Practice for Roadway GIS</b>	Link Coming Soon

On-Demand	Highways Track	<b>Asset Management and Damage Management for DOTs</b>	Link Coming Soon
On-Demand	Highways Track	<b>Data and Transformation in a DOT</b>	Link Coming Soon
On-Demand	Highways Track	<b>Driving Road Safety with ArcGIS</b>	Link Coming Soon
On-Demand	Highways Track	<b>Asset Management for Transportation</b>	Link Coming Soon
On-Demand	Highways Track	<b>Environmental Compliance for DOTs</b>	Link Coming Soon

## Did You Know? All Esri Courses are AICP Accredited

Certification  
Maintenance

To see all the Esri courses listed for AICP accreditation, visit: [go.esri.com/AICP](https://go.esri.com/AICP)

If you attended a UC session and want certification maintenance (CM) credits for it, but don't see it listed at the above link, email us at [AICP@esri.com](mailto:AICP@esri.com) and we will add it. Just make sure to send us the official title, description, and time as listed in the agenda.
