

# Esri User Conference

July 13-16, 2020 | Join us virtually

## State and Local Environment and Natural Resources

The Esri User Conference has many virtual presentations and sessions with hundreds of topics covered. To help you find your way to the state and local environment and natural resources sessions we have prepared a more focused agenda.

### State and Local Environment and Natural Resources Showcase

Monday, July 13 12:15 PM–4:00 PM PDT  
Tuesday, July 14 7:30 AM–9:40 AM and 11:10 AM–3:50 PM PDT  
Wednesday, July 15 7:30 AM–9:40 AM and 11:10 AM–3:50 PM PDT

Visit the virtual Showcase to see GIS solutions for all aspects of state and local environment and natural resources. The Showcase will feature solutions for smart communities, including planning and engineering technologies, operational efficiency tools, data-driven performance dashboards, and civic inclusion applications. You can access resources; meet virtually with industry experts; and explore best practices.
