Water Events and Activities

The Esri User Conference has many presentations and events with hundreds of topics covered. To help you find your way to the Water sessions and events, we have prepared a more focused agenda.

Esri Water UC Meeting

Sunday, June 26th 9:00am – 5:00pm   San Diego Convention Center, Room 25 A

Join your peers and Esri staff for a full day of water GIS discussions. Choose from two sessions: Water Utilities or Water Resources.

Esri Water Social

Sunday, June 26th 5:30pm – 7:30pm   San Diego Convention Center, Plaza Terrace

The Esri Water Social invites all water industry professionals, including water and water-resources professionals, who share a passion for GIS. Join water industry professionals, Esri staff, and Esri partners for an exclusive opportunity to network and have some fun.

Utilities/Water Neighborhood

Tuesday, June 28   9:00 AM–6:00 PM
Wednesday, June 29   9:00 AM–6:00 PM
Thursday, June 30   9:00 AM–1:30 PM
SDCC, Halls A, B, C, and D

Visit the Utilities/Water Neighborhood to see GIS solutions for all aspects of water. The Neighborhood will feature water, wastewater, stormwater and water resources solutions including mobile applications, dashboards and story maps. These solutions are deployed using Internet, servers, PCs and handheld devices. You can get hands-on GIS experience; meet Esri Water team staff; and see demonstrations. Be sure to stop by our large screen demo theater for the latest GIS solutions for water.
