

Partnering with Esri Events and Activities

The Esri User Conference (Esri UC) has many presentations and events covering hundreds of topics. We have prepared a more focused agenda to help you find your way to sessions and events of interest to Esri partners and partner programs.

Visit the Partnering with Esri Island:

- **Connect with the Partner Team** – The team is ready to connect with you whether you are an existing partner, are thinking about becoming a partner, or want to learn how partners can help you.
- **Get help locating partners** with the technology and business expertise specific to your needs. Many partners that align with your needs may be exhibiting at the event.
- **Inquire about becoming a partner** and how a relationship with Esri can help expand your technology offerings, grow your business, and enable your clients to do inspiring work with geography and GIS.
- **Learn about becoming a global ArcGIS Marketplace Provider** and be part of Esri’s digital buying experience. As a provider, you will benefit from the promotion of product listings, which can include apps, data, add-ins, widgets, and ArcGIS System Ready services or solutions.
